Meet the KCC TRIO Talent Search Team!

In January 2022, the KCC TRIO Talent Search Program hired their director, Samantha Flores (photo on the left) and in March, hired two program advisors, Eric Prevo (photo in the middle) and Alli Ster (photo on the right). Sam, Eric and Alli will be at their assigned school(s) once a week to lead workshops, 1:1 sessions and more. Sam is at Midland MS/HS, Eric is at Wilson MS, Metro HS and Jefferson HS and Alli is at RCCBA, Washington HS and Elizabeth Tate HS. Each person on this team is individually connected to the mission of TRIO through personal experiences. Sam is a TRIO SSS alumnus, first-gen and from a lower SES household. Eric is a TRIO TS alumnus and is also first-gen and from a lower SES household. Lastly, Alli is also first-gen and from a lower SES household but was unaware of TRIO (similar to a lot of our students). All three, however, are integral to the success of the program and KCC TRIO Talent Search is lucky to have them!

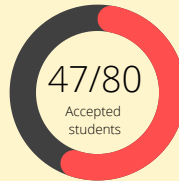

Recruitment Updates

We are excited to share updated recruitment numbers at your school! Below are the accepted students/ individual recruitment goals and pending students. Pending students will be receiving outreach from our staff this summer.

February 2022-June 2022
