

CAREER SPEAKER VIDEOS ENGAGEMENT QUESTIONS

As you watch each career speaker video, try to answer the following questions:

1 What does someone with this career do?

2 What are some of the responsibilities of this career?

3 What is the level of education or training needed for this career?

4 Are there careers within this field that only require a 2-year degree or a certificate?

5 What personality traits work well for this career?

6 What types of technology are used in this career field?

7 What is the traditional work environment for professionals in this career field? Are the hours the traditional 8 a.m. – 5 p.m. or non-traditional, nights or weekends? Does the speaker work mostly in an office or outside?

8 What were some of the “loves and challenges” the speaker shared about their career?

9 What activities, programs, experiences or courses can you take part in while in middle school or high school to best prepare for this career?

10 What local opportunities are available in this career field?

11 Is this career option for you? Why or why not?

12 What advice did the speaker give you as you consider your career choices?
